# PROFILES 2023 METHODOLOGIES

**Office of Educational Quality and Accountability (OEQA)**

https://oklahoma.gov/oeqa
www.EdProfiles.info
www.SchoolReportCard.org

Prepared in Cooperation with:
- Oklahoma State Department of Education
- Oklahoma State Regents for Higher Education
- Oklahoma Department of Career & Technology Education
- Oklahoma Office of Juvenile Affairs
- Oklahoma Tax Commission
- All Oklahoma Public Schools

# Table of Contents

# Profiles Methodologies

The information presented in the School Profiles is divided into three major reporting categories: (1) Community Characteristics; (2) School Educational Process; and (3) Student Performance. Data are presented by the school site, school district, community group, and state. Not all data is available or shown at each level. A detailed explanation of the methodologies and sources used to develop and create the School Profiles can be found on the following pages.

The first page of the School Profiles presents the Community Characteristics. This statistical sketch provides information from a variety of sources, including the Oklahoma State Department of Education (OSDE), U.S. Census Bureau, and Office of Educational Quality and Accountability (OEQA) *Principal's Survey*. It should be noted that the U.S. Census data specifically represent those persons living within the school district boundaries.

The second page presents the School Educational Process. This section includes information on the credentials of teachers, the number of administrators and other staff, information on the various academic programs offered, and high school curriculum offerings. Additionally, a table in this section reports the amount of money the district spent in each of the major financial reporting categories.

The third page presents the Student Performance for Regular Education Students for the full academic year. The fourth page presents the Student Performance for all students. These sections contain information on test scores for the Oklahoma School Testing Program (OSTP). Additional data show graduation and dropout rates, grade point averages (GPA), ACT scores, scholarships, college-going rates, remedial course taking, college freshman GPA, and the number of degrees awarded in a given year.

# General Information

**School Name**

Name of the school site for which information is being presented. [OSDE)]

**District Name**

Name of the school district for which information is being presented. [OSDE]

**County Name**

County in which the district resides, or the county in which the Superintendent's office resides if the district covers multiple counties. [OSDE]

**Address & Telephone Number**

Information needed to contact the Principal and/or Superintendent of the featured school and district. [OSDE]

**Other Miscellaneous Information**

Grade span covered by the school site, number of school sites in the district, and the square miles of the district. [OSDE]

# Community Characteristics

### Community Group
A group of school districts serving similar communities in terms of student population and economic condition. See Appendix A for an explanation of Community Group Model and Appendix B for the list of school districts within each Community Group. [OSDE & OEQA]

## *Student Demographics*

### Ethnic & Gender Makeup
Ethnic and gender makeup of the school and district as determined through the Fall Enrollment count, including alternative and special education centers. [OSDE]

### Bilingual Students
Number of students identified as bilingual divided by the school and/or district's total Fall Enrollment. [OSDE]

### Economically Disadvantaged Students
Number of students identified as economically disadvantaged divided by the school and/or district's total Fall Enrollment. [OSDE]

### Average Property Valuation per Student
Total assessed value of property within the boundaries of the school district divided by the average daily membership (ADM), or average enrollment. The property value is reassessed every year in December. [Oklahoma Tax Commission & OSDE]

## *U.S. Census Data from the American Community Survey (ACS)*

The ACS is conducted by the U.S. Census Bureau. The most recently available data is one year behind the School Profiles reporting schedule. Data are not available at the school site level.

### District Population
Number of residents living within the boundaries of the school district. [ACS 5-Year Average – B01001]

### % of Population under 18
Estimated percentage of the school district population under the age of 18. [ACS 5-Year Average – B01001]

### % of Children under 18 Living in Married-Couple Household
Estimated percentage of children under the age of 18 living in married-couple households within the school district. The married-couple are not necessarily the parents of the children. [ACS 5-Year Average – B09005]

### Average Household Income
Average income of the households within the school district. Figures are based on wages earned by all working members of the household. [ACS 5-Year Average – B19025 / S1901]

### Median Household Income
Median (at the 50th percentile) income of the households within the school district. Figures are based on wages earned by all working members of the household. [ACS 5-Year Average – S1901]

### % of Population below Poverty Rate
Persons living below the poverty level as a percentage of all persons for whom poverty status could be determined. [ACS 5-Year Average – B17001]

### Unemployment Rate
Ratio of unemployed persons to total persons in the civilian labor force expressed as a percentage. Civilian labor force consists of all persons age 16 and older that are employed, or wish to be employed. [ACS 5-Year Average – B23025]

### Highest Educational Level for Adults
Percentage of the population age 25 and older having attained various levels of education. [ACS 5-Year Average – S1501]

## *Preparation, Motivation & Parental Support*

### Kindergarten - 3rd Graders Receiving Reading Remediation
Percentage of kindergarten through 3rd grade students in reading remediation programs during the school year. Rate was calculated by taking the number of students on reading remediation program in kindergarten through 3rd grade and dividing by kindergarten through 3rd grade students. [OSDE]

### Average Number of Days Absent per Student
Average Daily Attendance (ADA) divided by the Average Daily Membership (ADM), subtracted from 1, with result multiplied by 175 instructional days. Not all schools have 175 instructional days but this number was used for comparable purposes. [OSDE]

### Mobility Rate (Incoming Students)
Number of incoming students divided by the sum of total enrollment plus incoming students minus outgoing students. [OSDE & OEQA]

**Suspensions of 10 Days or Less**

Principals were surveyed about the number of suspensions at their school during the school year with a duration of 10 days or less. This indicator was expressed as a ratio of fall enrollment to incidents of suspension. Schools not responding to the OEQA *Principal's Survey* were not included in this calculation. [OSDE & OEQA]

**Suspensions of More than 10 Days**

Principals were surveyed about the number of suspensions at their school during the school year with a duration of more than 10 days. This indicator was expressed as a ratio of fall enrollment to incidents of suspension. Schools not responding to the OEQA *Principal's Survey* were not included in this calculation. [OSDE & OEQA]

**Parents Attending Parent-Teacher Conference**

Principals were surveyed about the percentage of students that had at least one parent or guardian attend a minimum of one parent-teacher conference. Schools not responding to the OEQA *Principal's Survey* were not included in this calculation. [OEQA]

**Patron's Volunteer Hours per Student**

Principals were surveyed about the number of volunteer hours at their school during the school year. This number was then divided by fall enrollment. Schools not responding to the OEQA *Principal's Survey* were not included in this calculation. [OSDE & OEQA]

# Educational Process

## *Classroom & Administration Characteristics*

**Fall Enrollment**
Fall enrollment counts reported by the school. Also known as the *October Enrollment/Student Counts* because it is reported to the OSDE in October. [OSDE]

**Average Enrollment throughout the Year (ADM)**
Also known as Average Daily Membership or ADM. The average number of students on the school roster throughout the school year. [OSDE]

**Students Eligible for Free or Reduced Lunch**
Number of students eligible for participation in the federally funded Free or Reduced Payment Lunch Program divided by the school and/or district's total Fall Enrollment. [OSDE]

**Students Identified as Gifted and Talented**
Number of students identified as Gifted and Talented divided by the total Fall Enrollment. [OSDE & OEQA]

**Students as English Language Learners (ELL)**
Number of students identified as English Language Learners (ELL) divided by the Fall Enrollment. [OSDE & OEQA]

**Students in Special Education**
Number of students in Special Education Programs divided by the Fall Enrollment. [OSDE & OEQA]

**Non-Special Ed. Teachers (FTEs)**
Non-Special Ed. Teachers (job code = 210 or 213 except program code = 239) are counted. Full Time Equivalent (FTE) is based upon the percentage of the day spent in this capacity and contract length. [OSDE & OEQA]

**Average Salary (w/ Fringe) of Non-Special Ed. Teachers**
Teacher salaries are allocated to school sites based upon the percentage of time spent at each school site (the majority of teachers in the state spend 100% of their time at one school site). The total of all salaries paid to non-special education teachers are then divided by total non-special education teacher FTEs to obtain the average salary per non-special education teacher FTE. These figures include fringe benefits, but exclude extra duty pay and other salary. [OSDE & OEQA]

**Non-Special Ed. Teachers with Advanced Degree(s)**
Percentage of non-special education teachers with a college degree beyond a bachelor's degree. This calculation is weighted by teacher FTE. [OSDE & OEQA]

**Average Years of Experience for Non-Special Ed. Teachers**
Average is determined by weighting the average years of experience by the FTE for each non-special education teacher. [OSDE & OEQA]

**Special Education Teachers (FTEs)**
Special Education Teachers (job code = 210 or 213 AND program code = 239) are counted. FTE is based upon the percentage of the day spent in this capacity and contract length. [OSDE & OEQA]

**Counselors (FTEs)**
Counselors (job code = 203) are counted. FTE is based upon the percentage of the counselor's day spent in this capacity and contract length. [OSDE & OEQA]

**Other Certified Professional Staff (FTEs)**
All certified personnel except teachers, counselors, and administrators are counted. FTE is based upon the percentage of their day spent in these capacities and contract length. [OSDE & OEQA]

**Administrators (FTEs)**
Administrators (job code = 100 series) are counted. FTE is based upon the percentage of the day spent in these capacities and contract length. [OSDE & OEQA]

**Teachers per Administrator**
Teacher FTEs (all teachers) divided by the Administrator FTEs. [OSDE & OEQA]

**Average Salary (w/ Fringe) per Administrative FTE**
Total salary of administrators divided by the total number of administrator FTEs. These figures include fringe benefits, but exclude extra duty pay and other salary. [OSDE & OEQA]

## *High School Curriculum (Only for HS with 12th Grade)*

Only high school sites that offer 12th grade are included in calculations.

**% of HS Juniors and Seniors Taking Career-Tech Offered Courses**
Percentage of the high school juniors and senior that took courses offered by the Department of Career and Technology Education (CareerTech) during the school year. [CareerTech, OSDE & OEQA]

**High School Graduates Completing Regents' College-Bound Curriculum**
Principals were surveyed about the number of high school graduates completing the courses required for admission to Oklahoma public colleges and universities. This number was then divided by the 12th grade fall enrollment. Schools not responding to the OEQA *Principal's Survey* were not included in this calculation. [OSDE & OEQA]

**Average Number of HS Courses Offered by Site**
Number of unique courses offered at high school sites (that have a 12th grade) during the school year. [OSDE & OEQA]

## *Sources of District Revenues (All Funds)*

**District Revenues**
Percentage by source of new revenues received by the school district during the school year. Sources include District, County, State Dedicated, State Appropriated, and Federal. Bond proceeds are not used in these calculations. [OSDE & OEQA]

**Estimated % of Bonding Capacity Utilized**
A school district's Estimate of Needs contains various information, such as total property valuations, school bond issue amounts, and amounts paid toward these bond debts. This ratio is calculated as the total outstanding school bond principal (original issued bond principal - total paid bond principal) divided by estimated bonding capacity (10% of net assessed property valuation). [OSDE & OEQA]

## *District Expenditures (Bond Funds Excluded)*

**District Expenditures**
Expenditures in each category during the school year are reported in two ways: (1) as a percentage of the total expenditures and (2) the actual dollars spent per ADM. Debt Service is accounted for separately as to not adversely impact expenditure percentages in other areas. [OSDE & OEQA]

# Student Performance

## *Oklahoma School Testing Program (OSTP)*

The State of Oklahoma employed a series of standardized tests for grades three through eight and 11th grade to assess students on the newly adopted *Oklahoma Academic Standards*. OEQA summarized the students' Oklahoma School Testing Program (OSTP) performance in two ways for all reporting levels: (1) Regular Education Students (Non-English-Language Learns and Non-Special-Education Students) who were in the same school sites for the full academic year and (2) all students who took the tests. The results are shown as a percentage of students who scored Proficient and above by grade and subject. [OSDE & OEQA]

## *Additional High School Performance Measures*

### Senior Graduation Rate
Senior graduation rate is computed by dividing the number of graduates by the sum of the graduate count plus senior dropouts. It is assumed that the denominator accounts for all seniors except for those who were dropped from the rolls for legitimate reasons. [OSDE & OEQA]

### HS (Grades: 9th-12th) Dropout Rate
The high school dropout rate for a given school year is calculated using the number of *all high school dropouts* (grades: 9th-12th) divided by the high school fall enrollment of the school year. The OEQA adopts this new methodology in the Profiles 2021 reports. [OSDE & OEQA]

### Average GPA of HS Seniors
Principals were surveyed about the Grade Point Average (GPA) for their school site's senior class. A weighted average based on 12th grade fall enrollment count was used for all comparative averages and for districts with multiple high school sites. Schools not responding to the OEQA *Principal's Survey* were not included in this calculation. [OSDE & OEQA]

### Average ACT Score of HS Graduates
The average ACT score of all high school graduates in the district who have taken the ACT any time during their high school career. A weighted average based on the number of students who took the ACT was used for districts with multiple high school sites. If a student took the ACT test more than once, only the best score was used for the average. [Oklahoma State Regents for Higher Education (OSRHE)]

**% of Graduates Earning the Oklahoma's Promise Scholarship**
Percentage of graduates that earned the Oklahoma's Promise scholarship by the end of the school year. Please visit http://www.okhighered.org/okpromise/ for more information. [OSRHE]

**Out-of-State College-Going Rate**
Principals were surveyed about the number of high school graduates who planned to attend out-of-state colleges. This number was then divided by the number of graduates. Schools not responding to the OEQA *Principal's Survey* were not included in this calculation. [OSDE & OEQA]

**Oklahoma College-Going Rate**
OSRHE developed a methodology to track the graduates of Oklahoma's public high schools and calculate the percentage of these graduates who enrolled in any public or private colleges/universities in Oklahoma within one year after their high school graduation. The most current data compiled by the OSRHE typically covers the same time period in the college system as the School Profiles' reporting period; therefore, its most recently tracked high school graduating class is one year behind that covered by the School Profiles reports. OEQA presents this information as an average of three high school graduating classes. [OSRHE & OEQA]

**Oklahoma College Freshmen taking at least one remedial course in Math, English, Science, or Reading**
OSRHE determines the percentages of public high school graduates who enrolled at Oklahoma's public colleges/universities in the fall semester immediately following their high school graduation and had to take at least one remedial course in Math, English, Science, or Reading. The most current data compiled by the OSRHE typically covers the same time period in the college system as the School Profiles' reporting period; therefore, its most recently tracked high school graduating class is one year behind that covered by the School Profiles reports. OEQA presents this information as an average of three high school graduating classes. [OSRHE & OEQA]

**Oklahoma College Freshmen with GPA 2.0 or Above**
OSRHE's calculation includes public high school graduates who enrolled at Oklahoma's public colleges/universities in the fall semester immediately following their high school graduation. The GPA is determined by the grades received only in college freshman-level courses taken during the first year of college and/or the junior and senior years of high school. The most current data compiled by the OSRHE typically covers the same time period in the college system as the School Profiles' reporting period; therefore, its most recently tracked high school graduating class is one year behind that covered by the School Profiles reports. OEQA presents this information as an average of three high school graduating classes. [OSRHE & OEQA]

**Average Number (by Site) of Oklahoma College Degrees Conferred to HS Graduates**
Number of degrees conferred by Oklahoma public colleges/universities to high school graduates of a particular high school site and the average number for districts with multiple high schools. This number includes all graduates receiving degrees in a given college year regardless of high school graduation date. The degrees counted are bachelor's degree, master's degree, doctorate degree, first professional, associate's degree creditable toward bachelor's degree, and other formal recognitions toward bachelor's degree. [OSRHE & OEQA]

# Appendix A

*Community Group Model*

# Community Group Model

OEQA employs a "Community Grouping Model" that utilizes a district's Fall Enrollment and the percentage of students that are economically disadvantaged (eligible to participate in the federally funded Free and Reduced Payment Lunch Program prior to Profiles 2019).

## Community Grouping for Non-Charter School Districts

**Size of the District**

| Designation | Fall Enrollment |
|---|---|
| A | 25,000+ |
| B | 10,000 – 24,999 |
| C | 5,000 – 9,999 |
| D | 2,000 – 4,999 |
| E | 1,000 – 1,999 |
| F | 500 – 999 |
| G | 250 – 499 |
| H | Less than 250 |

**Socioeconomics**

Percentage of students identified as Economically Disadvantaged:

1: Below the State Average

2: Above the State Average

**A2**
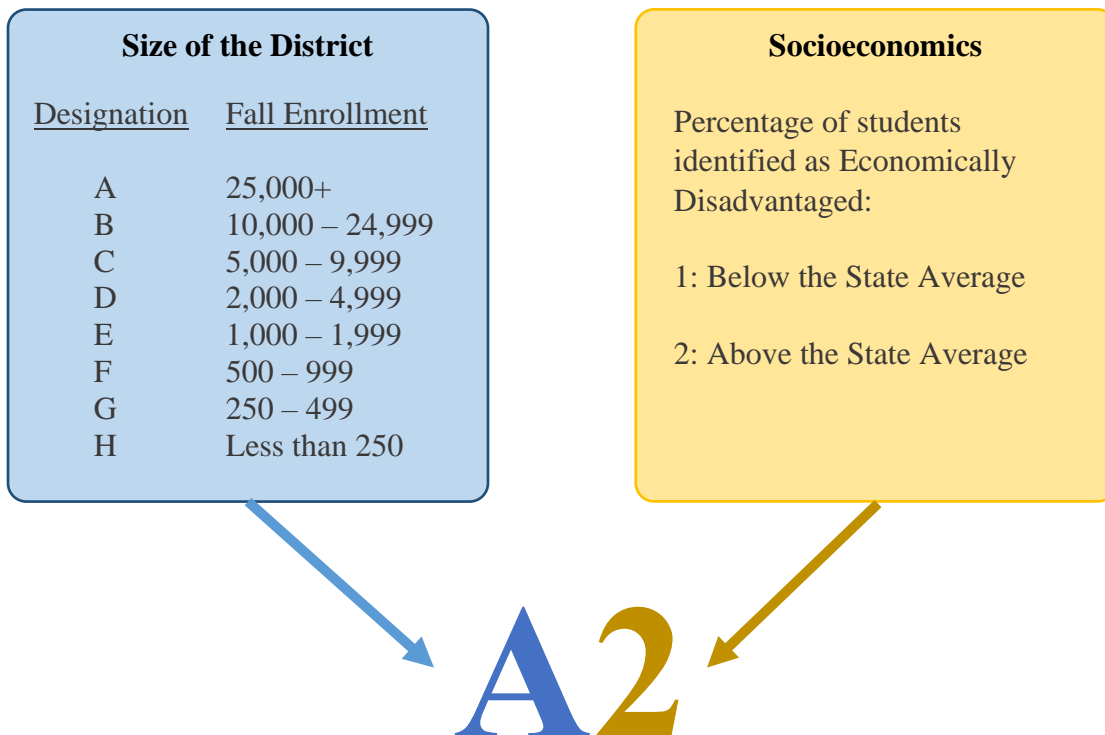

## Community Grouping for Charter School Districts

There are a number of charter schools in Oklahoma. These schools are sponsored by various entities and often serve a specific population or area. They also have particular missions and goals. Moreover, charters school are funded differently than traditional public schools. Because of these diverse characteristics, it is difficult to compare charter schools to other public schools. Therefore, OEQA groups all charter schools into two "Community Groups":

- ZT: Non-Virtual Charter School Districts.

- ZV: Virtual Charter School Districts.

# Appendix B

*List of School Districts by Community Group*

## List of School Districts by Community Group
*(Sorted by School District Name within Each Community Group)*

| Community Group | District Name | County Name | OSDE Code |
